

# CALL FOR PAPERS

## Organizers

### General Chair

Ernesto A. Ibarra-Ramirez, PhD  
Universidad Tecnológica de Panama (UTP)  
Asociación Panameña de Ingeniería  
Biomedica (APIB)

### Technical Program Chair

Fabiola M. Martinez-Licona, PhD  
IFMBE Clinical Engineering División  
Universidad Autónoma Metropolitana  
(UAM)

## Important Dates

**April 25, 2024**

Deadline for full paper submission

**May 23, 2024**

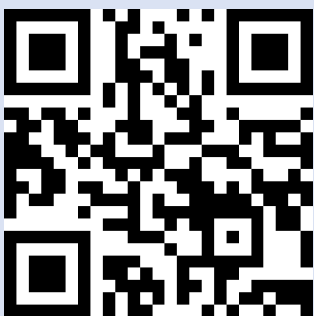

Notification of paper acceptance

**July 4, 2024**

Camera ready papers

The Organizing Committee of the X Latin American Congress on Biomedical Engineering (CLAIB 2024) invites researchers, scholars, scientists, and professionals to submit their research papers. The CLAIB 2024 is dedicated to promoting the latest Latin American advancements in Biomedical Engineering and their applications, aiming to improve healthcare, patient safety and quality of life.

## Congress Thematic Areas

- Biomaterials, Tissue Engineering and Artificial Organs
- Signal Processing and Biomedical Images
- Biomechanics, Biorobotics and Rehabilitation Engineering
- Clinical Engineering and Health Technology Assessment
- Biosensors and Biomedical Instrumentation
- Education and Society in Biomedical Engineering
- Innovation and Development of Medical Devices
- Medical Physics and Nuclear Medicine
- Micro and Nanotechnology
- Modeling and Simulation
- Women in Biomedical Engineering

## Submission Guidelines:

- It is a mandatory requirement to register for the congress before submitting the final version of the paper.
- Papers must be original and not previously published.
- Articles should be written in English and follow the format of the official congress template.
- Submission will be done through the E-simposio platform.
- Peer review by the Scientific Committee of CLAIB2024.
- Deadline for full paper submission: **April 25, 2024.**

## Publications and Presentations

- The selected papers will be published in the IFMBE Proceedings book series, indexed by SCOPUS, EI Compendex, JST, and SCImago.
- Opportunities for oral presentations or posters.
- Option to request a 60-second flash talk.
- Chance to participate in the Latin American Biomedical Engineering Student Competition.
- Awards for the best papers.
